Hi Syafiqsteven999,

This is the last email from us on the IP Essentials Workshop 😊

Laura's in Texas putting the finishing touches to the program in 86F-degree weather.

She's been working with contracts for over 26+ years in BigLaw and in-house at a variety of companies including Tesla.

Now, she's using all her knowledge and experience to create a workshop where **you'll get a detailed explanation of what you need, when, and why when drafting IP provisions.**

Let's recap how exactly this workshop will transform your IP skills.

You will:

- ✅ Develop a strong foundation in intellectual property.
- ✅ Improve your expertise by focusing in on what contract drafters and negotiators need to know.
- ✅ Learn how to structure, draft, and negotiate IP licenses.
- ✅ Dive into the complexities of multilevel licensing scenarios.
- ✅ Equip yourself to navigate intricate licensing structures and optimize licensing arrangements.

You'll also get:

- ✅ 90-day access to the recordings

- ✓ Certificate to demonstrate your training
- ✓ Exclusive How to Contract IP Playbook
- ✓ Other bonus materials (annotated provision, negotiation scripts, practical IP guide)

Want to feel confident when working with IP provisions?
